From the Editors

By integrating and concisely summarizing financial and non-financial information, this portal site is intended to serve as a tool for communicating the LY Corporation Group's value creation efforts to a wide range of stakeholders, and to facilitate deeper dialogue.

We update the content at a suitable timing so that we can provide timely information that will support investment decisions.

Period Covered

April 1, 2022 - March 31, 2023

* In order to report the latest status of the LY Corporation Group, information from April 2023 onwards is also reported as appropriate. Some activities and initiatives from dates prior to the applicable period are also included.

Editorial Team

- Led by the IR Department, an Integrated Report Project Team comprised of the public relations division, ESG division, corporate governance division and the translation division, carried out the planning and content production.
- In the production of content, we also obtain the cooperation of related departments and Group companies.
- The Project Team confirmed progress and shared information at regular meetings, consulted and reported as necessary to the executives of relevant departments such as IR, public relations, ESG, human resources and Group companies, and ultimately obtained approval from the CFO (ESG Supervisor) before issuing the report.

Disclaimer on Forward-Looking Statements, etc.

All forward-looking statements appearing in this website, including but not limited to forecasts, estimates, and future strategies, are based on information available at this point in time and certain assumptions generally deemed reasonable. Such forward-looking statements are subject to various risks and uncertainties, including but not limited to unanticipated changes in the competitive environment, economic trends, market demand, and outcome of pending or future litigation, in addition to indeterminate factors and presuppositions. Should one or more of these risks or uncertainties materialize, our actual results or performance may vary materially from those described in the relevant forward-looking statements. We therefore kindly advise you to refrain from relying completely on these forward-looking statements. The Company assumes no obligation to update or revise these forward-looking statements in light of future developments.
